## **A whistle stop tour of Iceland**

Rather, the French lawyers and diplomats defended Philip VI and his heirs against the rival claims of Edward III and Charles of Navarre by arguing that both women and cognates were excluded from the royal succession by an unidentified custom of the realm: the crown was not private property but rather a public office, subject to a unique set of rules which barred both women and their sons from receiving the crown. The Annina triumphed over all else in her poor body.
