As the cop implied that organized was getting jumpy since the vigilante stood up against Falcone, to which Batman complied that it was a start by adding in Falcone's deal with Flass on splitting the drug shipment in half so that those in toy bears went to the dealers, and that he might get the answer for Gordon on where those in toy rabbits went from Flass. However, this legacy is a popular misconception. There were just six total shots on target throughout the entire match split three and three between the two teams.
