There is even one instance of explicit denial that a strong  
possibility of kingly and national punishment is encoded in  
the reference to Acteon, in spite of the fact that both  
Renaissance allego resis and the Portuguese epic text do  
suggest that possibility: see Aguiar e Silva Camoes:  
Labirintos e Fasnios. Juncker o.

Each day became a few hours of mindless, but necessary,  
banality, important to battle through so that I could get to  
the wine at the other end. The topic of heroin use urgently  
needed to be addressed partly because it created conflicts  
about the proper use of public urban spaces.
