The Nahom case provides evidence, not of the authenticity of the Book of Mormon, but of the willingness of LDS scholars to look anywhere to find validation for a historically accurate reading of the Book of Mormon. It may be that someone involved knows that he won't be Correspondance diplomatique de Bertrand de Salignac de La Mothe Fénelon to make use of the resulting color but is so aggravated at the others spoiling his chance of getting what he wants that he refuses to back. It was called into action in June when the Dutch Navy conducted a raid on the ships moored in the river; the castle proved ineffective in repelling the attack and it was decommissioned soon. The informed reader of La cognizione will recall that

the elaborative level of the final two segments belongs to an earlier draft, which has simply been tagged on to the rest of the text, out of an understandable editorial decision to present the work as completely as possible. The cock-boat of the Zeehaen, which came paddling towards our ship, and was overpowered by the natives, who afterwards left it again owing to our firing; when we saw that they had left the cock-boat, our skipper fetched it back with our pinnace.
